BENEFITS

Increase your engagement with video

Save time and extend the lifespan of content by repurposing video clips to multiple platforms.

Spend less time searching the web for stock images & video that can have confusing copyright.

NOTE

Videos are formatted to fit the most common aspect ratio on social media (9:16). These are not recommended for your website. For brands with 5 or more products, or products of a larger size, please see our Full-Scale Shoot on the previous page.

Cost of props is not included.
