FULL-SCALE PHOTOSHOOT

There's no worry about whether your brand's style is rustic, moody, or infused with color. We work with Urban Chic-approved photographers who specialize in various photography styles so you can achieve your desired aesthetic.

BENEFITS

Having a stockpile of images ready to use across your website and social that will last you a full quarter or more.

Less time searching the net for stock images that have confusing copyright.

Added professionalism and credibility.

Attract a wider audience by having a human element in your photos.

NOTE

Client is responsible for cost of props, models, hair/makeup artist, or any other outside vendors involved.

Props returned cannot be carried over or used as a credit towards photoshoot. There will be a final billing for props used.

We suggest including hair and makeup before or during set up time.

50% transferrable deposit required to hold photoshoot date.

25% rush free applied for after hour shoot requests, weekend or holiday shoots, or shoot requests within a 14 day period.
